TECHNICAL NOTE:

- Always tighten bolts to their specified torque value.
- Periodic re-tightening of bolts is required due to "cold flow" phenomenon present in all rubber hoses.
- Contact Amazon Hose for specified torque values and manufacturer's recommended re-tightening schedule.

HOSE & RUBBER COMPANY

SALES POLICY

Terms
Net 30 day terms are available for accounts approved by our credit department. We reserve the right to withhold shipment to accounts with unpaid balances exceeding 30 days, or, alternatively, to require C.O.D. payment for new purchases until such time as the account is no longer delinquent and credit is reapproved.

Freight
All shipments are F.O.B. Amazon Hose & Rubber Warehouses.

Prices
All prices are subjected to change without notice.

Taxes
Applicable sales taxes will be applied on all orders, unless we have customer's exemption certificate on file.

ALL CREDIT TO BE ISSUED AGAINST DEFECTIVE MATERIAL MUST BE AUTHORIZED BY THE MANUFACTURER.

Returned Goods
All merchandise is guaranteed against defects in material and workmanship. Merchandise believed to be defective requires a return authorization form and must be returned prepaid. Freight charges will be refunded if credit is allowed against warranty. Prior approval is required before any merchandise can be returned. Return of non-defective material, or material ordered incorrectly, will be subject to a 25% restocking charge. Cut and/or assembled hose ordered incorrectly **may not** be returned.

Cancellations
On stock material not yet in process, no cancellation charge will apply. On stock material that is in process, a cancellation charge of 25% will be applied. Orders for special or non-stock materials cannot be cancelled.

Technical Data
Various tables and charts may be found on our website www.AmazonHose.com. We offer these as guides and assume no responsibility for their accuracy, as manufacturers may change their specifications without notice.

Special Orders
We require a 50% deposit on all special or non-stock product orders. This payment must be received by Amazon Hose prior to placing the order with our manufacturers.

To apply for credit or open an account, go to www.amazonhose.com/resources/credit-app.

WE TRAIN OUR EMPLOYEES TO BE EXPERTS.

NOT ORDER TAKERS.

Every front-line Amazon employee must complete NAHAD Safety Training as well as extensive internal training. These programs teach the fundamental qualities of all our products and prepare employees to fulfill every order effectively.

So whether they're answering the phone, working the counter in our AmaZONE in-person service center, or measuring and finishing hoses for custom orders, all employees understand the products they're working with and can provide knowledgeable service at every point in the process.
