Amazon Hose & Rubber Company is a proud member of the NAHAD Hose Safety Institute which sets the guidelines for hose specification and fabrication. The guidelines provide a comprehensive set of minimum performance recommendations for the specification, fabrication and design of industrial and hydraulic hose assemblies, all focused on ensuring hose assembly safety, quality and reliability.

As an Elite Distributor, Amazon Hose is part of an exclusive Continental Elite Distributor group who maintain the highest level of hose assembly standards to provide their customers greater assembly integrity and dependability. We follow the NAHAD Assembly guidelines, Industrial Hose Crimp Specifications, and has the proper equipment.
