## **NOT ORDER TAKERS.**

Every front-line Amazon employee must complete NAHAD Safety Training as well as extensive internal training. These programs teach the fundamental qualities of all our products and prepare employees to fulfill every order effectively.

So whether they're answering the phone, working the counter in our AmaZONE in-person service center, or measuring and finishing hoses for custom orders, all employees understand the products they're working with and can provide knowledgeable service at every point in the process.
